

## Why Intriials?

**DELIVERING CLINICAL RESEARCH  
EXCELLENCE SINCE 1999**

INTRIALS is a world-class, - Latin America CRO, head-quartered in São Paulo City, Brazil, with offices or legal presence in:

- Argentina (Buenos Aires)
- Chile (Santiago)
- Colombia (Bogota)
- Mexico (Mexico City)
- Peru (Lima)

Since 1999, local and international clients have benefited from our understanding of their needs, our in-depth knowledge of each investigator competencies, the capabilities of each investigational site, our regulatory affairs expertise, our experience in many therapeutic areas, and all those attributes that a CRO must master in order to ensure that client's goals are achieved.

Here you will find reasons to select Latin America from the beginning of clinical research development as well as why you should engage INTRIALS to assist you to accomplish your goals.

If you need either additional information or special assistance, contact us directly, and we will provide you with the details you seek.
